Aircraft Departing from London Stansted Airport on Runway 04 Noise Preferential Routes

**Noise Preferential Route Swathes**

- **Runway 04**
- **Buzed**
- **Clacton**
- **Detling**

**Radar track data**
- **below 3000 ft amsl**
- **3000 - 6000 ft amsl**
- **above 6000 ft amsl**

The radar tracks shown are based on a four-day sample from the 2015 summer period. The tracks are colour-coded according to the height above mean sea level (amsl).

Statistics on the numbers of operations relate to fixed-wing aircraft movements for the average 24-hour day, calculated over the 92-day summer period from 16 June to 15 September 2015. The figures have been rounded to the nearest whole number.
