PLEASE ENSURE THIS INFORMATION IS PROMULGATED TO ALL STAFF

### 1.0 SUMMARY

1.1 Installation of ducts and Aeronautical Ground Lights (AGLs) for the relocated Taxilane (ASTL) November-Alpha (NA). This work will permanently remove Stands 216L, 217 and 218.

### 2.0 PROGRAMME

2.1 Saturday 1<sup>st</sup> December until Friday 25<sup>th</sup> January 2019.

2.2 The nominal working hours will be: Monday to Friday 0800-1800hrs and Sunday to Thursday 20:00-06:00hrs local and at other times as required by programme and advised to MAG Operations.

### 3.0 SCOPE & LOCATION OF WORKS

3.1 All work will be located on Stands 216 and 217.

The overall scope of works will involve the following tasks:

- 3.2
- Closure of Stands 216 and 217.
  - Reduction of work compound from TWY Delta to within Stands 216 and 217
  - Coring out and installation of AGL.
  - Excavation of pits and installation of ducts.
  - Removal of painted centrelines, aircraft designators and other related markings.
  - Removal of head of stand equipment (FEGP/High mast light/SNIB/Cabin)
  - Removal of MAX SPAN 52M, TRP 216 & disused stand designator painted signs on Taxiway Delta.
  - Relocation of double white taxiway edge lines to 43.5m from the taxiway centreline.
  - Painting in of relocated rear of stand road.

### 4.0 OPERATIONAL IMPLICATIONS

4.1 Stand Closures

4.1.1 Stand 216L, 217 and 218 are permanently withdrawn from use.

### 4.2 Taxiway Changes

4.2.1 The double white taxiway edge lines behind Stands 216 to 218 will be relocated to 43.5m from Taxiway Delta centreline and tied in to the double whites behind Stand 215 to return the taxiway to EASA Code E in this section of Delta.

### 4.3 Airside road traffic

4.3.1 The rear of stand road from 216 to 218 will remain available for access to GSE areas.

4.3.2 The road markings across Taxiway Delta from Stand 215 to 245 will be permanently removed. If weather delays the removal of the paint markings then red and white water filled blocks will be used to close the entrance to the road.

***NB. The removal and addition of paint markings is entirely weather dependant; therefore, the programme may slip. This may delay the opening of Taxiway November-Alpha in its new location. OAN 118 – 2018 refers***

### 4.4 Ground Service Equipment (GSE) parking

4.4.1 GSE parking areas at Stands 216 and 217 will be withdrawn from use. Allocated users will be advised of changes to their GSE parking areas individually by the Project Manager.

## 5.0 LOW VISIBILITY OPERATIONS (LVO)

5.1 The works will have no effect on Low Visibility Procedures.
