1.0 SUMMARY

1.1 On Wednesday 21st November 2018, authorised drone activity will be taking place at Manchester Airport at 2 airside locations.

2.0 PROGRAMME

2.1 As part of 'Operation Zenith', there will be a number of drone flights taking place on the airfield on 21st November 2018.

2.2 The on-airfield activity will consist of:

- A flight (or series of flights) along runway 05R/23L during its closed period.
- A single flight between Faireys apron gates (airside) and Stand 100 between 13:00-14:30hrs.

2.3 Note: In addition to the above there will be a number of off-airfield drone flights taking place as part of the same project within a 2nm radius of Wilmslow Phoenix Sports Club (53.3489° N, 2.2452° w) not above 1500ft AGL (1757ft AMSL).

3.0 OPERATIONAL IMPLICATIONS

3.1 For the duration of the flight operations between faireys gates and stand 100 (13:00-14:30), free ranging of all vehicles* will be suspended between the northern junction of Txy Lima and Delta, IHP Alpha 5 and IHP Delta 4.

3.2 *Note: The suspension of free ranging privileges does not apply to MAN RFFS and Airfield Ops vehicles that have an operational need to enter or transit through the area.

3.3 Stand 100 will be required between 12:00 and 15:00 so that a TXC A321 can be positioned onto the stand.

4.0 LOW VISIBILITY OPERATIONS (LVO)

4.1 In the event of Low Visibility, the project is to be postponed.
