

A52-EAST & WESTBOUND LANE & ROAD CLOSURES (M1 J25 - BARDILLS ROUNDABOUT)

IN REF -	IN 36/2018	DATE OF ISSUE -	30 November 2018
-----------------	------------	------------------------	------------------

Highways England advise of required essential maintenance works on the A52 eastbound and westbound between Bardills roundabout and a point approximately 500m to the west of M1 junction 25.

Works will include resurfacing of the carriageway, renew road studs and markings, replacement of vehicle safety barriers and renewal of bridge joints.

These works are due to start on Monday 14th January 2019 and will last for approximately 6 weeks (dates and timings subject to weather conditions / unforeseen circumstances).

A majority of the works will be carried out overnight between 20.00 and 06.00 hrs, Monday to Friday.

As both single lane and full carriageway closures will be required during these times, fully signed diversion routes will be put in place.

Further information on Midlands motorways and trunk roads including affected areas, closure details and dates / times can be found at:
