Airside Clean up Amnesty 25th March until 31st March

Last year we instigated an Airside clean up amnesty which worked well. We are now running this again From Mon 25th March until Sun 31st March.

The large skip located at the fire station is for all the miscellaneous rubbish / junk which had accumulated over the winter period. Please take this opportunity to remove any unwanted items from your business area or items of rubbish you locate airside.

Rules:
No contaminant liquids or solids and no hazardous or restricted waste items such as fridges etc.

The AOS will conduct airside inspections throughout the week whilst carrying out their normal duties this week and prompting individuals to make use of this opportunity.

Any questions please contact the Airside Operations Supervisor. 07880787543
