There have been increased reports of vehicles speeding on Airport roads, in particular, vehicles driven by staff.

We would remind everyone that the speed limit on the Landside Airport roads is restricted to a maximum of 30mph, this limit **MUST** be adhered to.

We would also like to remind everyone that the official drop off areas must be used, this to for the safety of all staff and guests. The roundabout at the main entrance **MUST NOT** be used as a drop off area due to the increased risk of accidents.

The police are monitoring the airport roads and necessary action will be taken when and where necessary.
