

Airport Community App

IN REF -	45/2019	DATE OF ISSUE -	16 th December 2019
-----------------	---------	------------------------	--------------------------------

The East Midlands Airport Community App will be LIVE from the 18th December 2019.

The EMA Community App provides real time operational data and a host of other information to our entire airport campus directly from the Airports Control Room.

To find out more please ask your Airport Duty Manager. To download the App please follow the below steps:

- Download on the app store, or get it on google play
- Search for airport community app
- Install and sign in using work email address, name and role
- A PIN is sent to the email account to complete registration
- Once received, enter the PIN to sign in

1st January 2020

In order to get the full benefit of the EMA Community APP, from 1st January 2020 all operational and emergency calls must be directed to the Control Room and not the Airport Duty Manager.

As a reminder, in the event of an EMERGECCNY call:
Ext 3333 from internal phones
01332 818555 from external phones / mobiles.

Operational calls:
For Car Parks Control call ext 2841
For Landside and Terminal call ext 2840
For Airfield call ext 2973

If you have any questions, please email adm@eastmidlandsairport.com

END.
