

WATER MAIN DIVERSION

OAN REF: -	02/2020	DATE OF ISSUE: -	20 th January 2020	EFFECTIVE DATE:-	23 rd January 2020
-------------------	---------	-------------------------	-------------------------------	-------------------------	-------------------------------

On the morning of 23rd January 2020, the water main supplying B19, B110, B111, and the Fire Station will be temporarily disconnected whilst it is diverted. This will result in a lack of supply for approximately 4 hours, and alternative arrangements should be made for this period.

If further information is required, please contact:

Julian Webb, Project Manager in B34, on the following:
