

Watermain Replacement Works

IN REF -

03/20

DATE OF ISSUE -

03/20

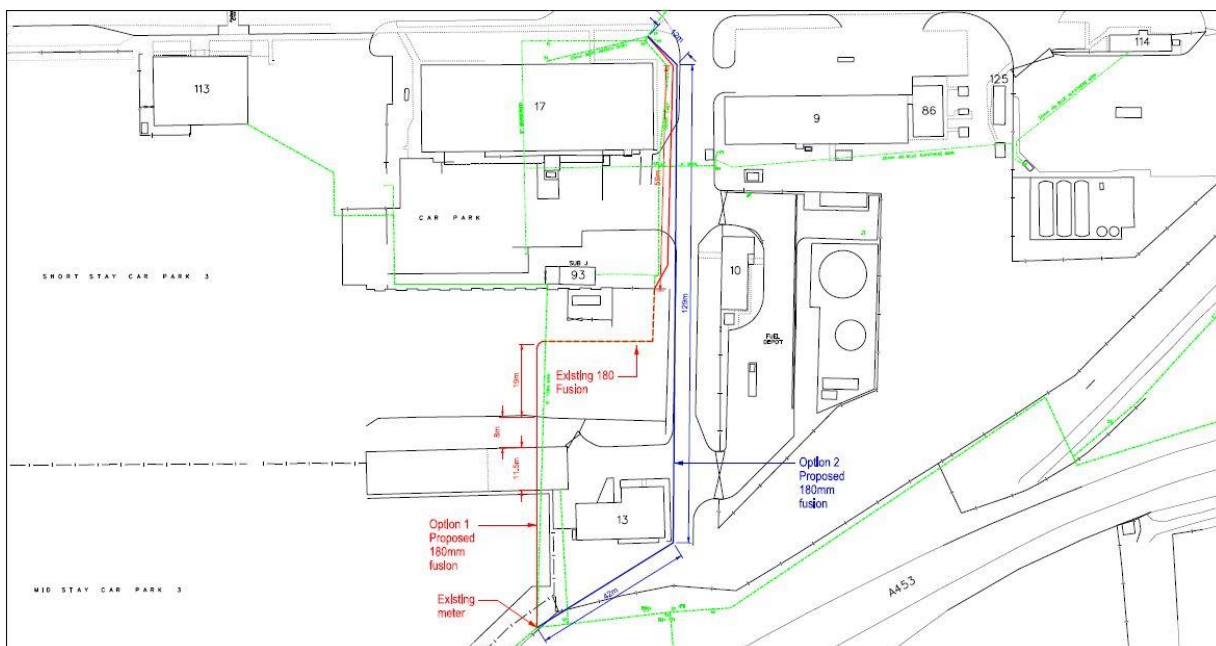

We will be carrying out Watermain Replacement works between 16/03/2020 – 10/04/2020.

In order to define the route and locate utilities we need to carry out 4x Trial Hole excavations on the 07/03/2020 – 08/03/2020.

The EMA Police Dept, Alpha and BP Fuel have been notified of this work and we have assured them that this will have no impact on their daily activities.

The location of the works will take place from the Junction of Viscount Rd to Building 13 as per attached plan.
